We can postpone the hearing until the February 24 omnibus hearing. Please confirm you agree to the new date in February and then we will advise the Court.

Good luck with your procedures, Farrell

We are currently scheduled for the next omnibus date on January 27, 2016.

Last week I was diagnosed with a non-life threatening, but serious enough, medical issue that is requiring me to significantly reduce my schedule and undergo some tests, etc., over the next few weeks.

I understand your desire to move this case along, but I am requesting a 30 day (or whenever the next omnibus motion day is scheduled thereafter) adjournment.

Please let me know if you will consent, otherwise I will have to contact the court.

Mr. Wedeen,

You can correspond with me regarding the Bellini, Bernfeld and Bernfeld Trust matters.

We will not agree to extend the fact discovery deadline.

Ms. Holder:

I am getting communications from 3 different attorneys at your firm.

My response to the inquiry is that I thought I had until the end of this month to fully respond to the remaining discovery requests. That was my error, not my clients.

Our fact discovery closes as of Friday.

Can we please stipulate to extend fact discovery for a 30 day period (say January 15) with the proviso that I will complete the responses by the end of December?

I have to file a letter with the court now on, regarding this, but I would like to speak with someone first, so I can state that I attempted in good faith to resolve this.
